

Finance Department

Workflow Functions

- Finance Department has a system (Zoho) for student balance to be linked with the CCK-Hub.
- Repeated courses not eligible for a discount (Self-Fund student)
a pop-up notifying student of this rule.
- Payment mode option to select from (Cash, K-net, Visa & Master)
- Clearance Workflow (Finance, IT etc.)
- When students select the courses, the fees will be calculated based on the credit for the course *(attached fees structure provided by Finance Department)*
- Courses' prices based on credits will be calculated in the CCK-Hub
 - 1st Installment in 4th week
 - 2nd Installation in 8th week
 - 3rd Installation in 12th week
 - Summer fees will be paid in FULL prior to the start of the semester for existing students.
- Late fees (5 KWD) will be shown to students from the **1st day of semester**, and they need to be paid to proceed with registration.
- TWIMC > CID must be uploaded with all requests.
