Swoosh:

- The swoosh can be used in its entirety or split into halves or thirds for additional flexibility in design.
- The swoosh or its sections should never be distorted. They should always be resized proportionately.

- USE CCK GREEN PRIMARILY**
For headlines, flat background areas, image gradient, swoosh , patterns and as a main colour in graphics and illustrations.
- USE CCK RED LEAF SPARINGLY**
When using whole or part of leaf and leaf patterns and swoosh.
- USE NEW GROWTH GREEN PRIMARILY**
For other subtle elements: patterns, buttons and key calls to action, for separation lines and can also be used as secondary colour for flat backgrounds
- USE MID-RANGE TINTS OF CCK GREEN**
For added contrast and separation in all design elements: text, graphics or illustrations.
